Pointers

1 x class term fee \$170

2 x classes term fee \$320

We are a proud licensed provider of Queensland Ballet's Petit Pointers program!

Our Petit Pointers program is for children aged 3-4 years (school year Pre-Prep and Prep) and aims to foster creativity, musicality and movement in each child. The program is underpinned by early-learning research and led by our expert teaching artists.

Dance is a great way to improve confidence, coordination, language and numeracy in our youngest learners. At the end of each term, children will have developed the early foundational skills of ballet.

Please note; parents do not participate in these classes and are not permitted in the studio - this is a wonderful opportunity for students to begin developing independence and confidence.

If you'd like to join our #gcdance community and arrange a trial at our beautiful studios please contact us at info@gcdance.com.au
